

Catering

At Jackson Meat, we do it all – from office parties and family reunions, to wedding receptions and tailgate parties! No matter the occasion for celebration, Jackson Meat has options on our menu that will satisfy everyone’s taste buds! Your friends and family will love the taste (*and smell!*) of our freshly smoked meats and delicious side dishes.

We prepare all food fresh based on your order and strive to keep our prices affordable. When you choose Jackson Meat to cater your next event, we promise reliability and 100% customer satisfaction! If you don’t see what you’re looking for on our menu, don’t hesitate to ask.

We will gladly customize any order to fit your specific needs!

.....

Delivering and warming of meal might be additional charges. Please be specific with us on your needs and when placing your order. Typically, we prefer to setup catering “buffet style” and have guests serve themselves, but if serving by our staff is desired, please let us know in advance and we can quote a price and check our schedule availability.

All catered items will come in disposable aluminum pans and will come with serving spoons/tongs. These are complimentary and we do not need them returned!

Please use for other events and parties! 😊

General serving size “rule of thumb” on cooked meats/sides that are ready to serve are approximately 4 servings per pound. We can help you calculate how much you need of each – please don’t hesitate to ask for our assistance!

TO place an order or if you have questions, please call us at (620) 662-4465 or email Jeni Bryan at jbryan@jacksonmeat.com.
